

Missions Committee Minutes
3.14.2010

In attendance were: Beau & Pam Nichols, Mark & Susan Myers, John Stickney, Howard Whitaker, Susan Bates, Greg & Elisha Volp

Mark opened the meeting with a word of prayer

New officers were appointed:

Chairman: John Stickney
Assistant Chairman: Mark Myers
Secretary: Elisha Volp
Finances: Beau Nichols

We need to check-in with all our missions to get a copy of last year's financial information, as well as to keep up on any prayer requests.

Ministry heads are as follows:

CMEA – Beau & Pam Nichols
Cincinnati Christian University – Susan Bates
Butler Springs Christian Camp – Mark & Susan Myers
Team Expansion – John Stickney
One Tribe Ministries – Greg & Elisha Volp

Communication – We still need to give the elders a copy of the meetings minutes. But to improve the communication with the congregation we will print summaries of the minutes, to be put in a box between the flags, and post them on the churches website. We will also post upcoming events and prayer needs on the screens before service.

Kristen Smith approached the committee via letter in search of financial support for her coming trip to the Philippines. She will be traveling with a group called the Navigators <http://www.navigators.org/>.

Mark and John are going to investigate “who are the Navigators?” and get back with the committee.

Susan B. brought up that who ever we support financially needs to be brought accountable and therefore report back to the committee on their trip. Everyone was in favor of this.

Since the committee is presently not financially able to support Kristen, we may be able to put her information out between the flags... pending a Navigator decision. Or she may seek financial support from the Bible School classes individually.

Possibly visit with Kristen, if a positive Navigator, on March 28th after church.

Beau closed the meeting with a word of prayer

NEXT MEETING – April 18, 2010 LUNCH potluck & meeting.
